This list cancels all outstanding price lists.

The prices herein quoted are based on the present market conditions, and are applicable to all sales made to the trade in wholesale quantities only. For quantity of five or more, 10 rate; twenty-five or more, 100 rate; and two hundred and fifty and more, the 1,000 rate will apply. Terms: Sixty days net; two per cent discount if paid within ten days from date of invoice; three per cent discount on orders accompanied by cash. To nurserymen the usual trade terms will apply. Unknown prospective purchaser will please furnish the necessary references in time to allow us to investigate before shipment is made.

All stock selected and marked by customers in the nursery will be charged for in accordance with its value, or at the value agreed upon at the time, and prices in this list will not apply in such cases.

TO OUR CUSTOMERS: On all orders placed with us, the stock is sold at our nursery, F. O. B. Painesville, and the plants become your property upon delivery of them to the transportation company. We cannot be responsible for loss, damage or delay in transit, but will do everything in our power to assist our customers to recover damages from the carrier.

In order to cover the cost of materials used, we make the following nominal charges for packing: Boxes and packages, 8 to 10 feet long by 30x30 inches, \$4.50; by 28x28 inches, \$4.00; by 24x24 inches, \$3.50; by

20x20 inches, \$3.00; by 18x18 inches, \$2.75; by 16x16 inches, \$2.50; by 14x14 inches, \$2.50; by 12x12 inches, \$2.00; 12-foot boxes, 50 cents extra. Bales charged at actual cost.

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name and free from any disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise. We do not give any warranty, expressed or implied, in respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods. In no case do we assume any responsibility for the safety of the stock after shipment, except for our own mistake.
